cannot, however, be expunged.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1, 2, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is bestowed by the surgeon, forward the proper action, sign the soldier's discharge, and the certificate on this paper, see that the soldier is furnished with the proper final statement in duplicate, and forward without delay the same, along with the duplicate of the certificate, to the Adjutant General's Office, at Washington D. C. they will not under any circumstances be given into the hands of the soldier.

Commanding 23 Regt. N.Y. Inf. Sir

Kindly tender my indignation of my
Commission as 2nd Lieut. 23rd Regt. N.Y. Inf.
(Appointed December 1st) in your regiment,
to take immediate & unconditional effect.

As required I will, briefly state the
reasons actuating me in this step.
When I left Home last September I
believed I held a military position & as such
I was bound to do my duty.

Very warmly Mr. President having
been perfectly honest & sincere in his
conduct. These circumstances she has required
me to resign, which I was under the
most solemn pledge & promise to do when
she resigned it.

Although quite sensible of the
obligation to my Country in this particular
instance, & notwithstanding my desire to do
my duty, my Government are XX.

I believe that my duty in the
present emergency is to do all that

is in my power to do, & to do it as well as I can.

Yours very truly, Walter Brand

being personally engaged of all the facts
and reasons assigned by said Father (deceased)
why he declines his resignation, I accept it.
He is a gentleman, a Soldier and a good
Officer. And although it is with great re-
luctance I consent for him to quit my Regt.

Yes I am fully satisfied that I have
 a deep sense of duty to his Underworld
 mother - and regard for his pledges to her -
 could have motivated him to quit the Ser-
 vice. And hence it would be doing great
 injustice to him to refuse the acceptance
 of his resignation. And I do most
 warmly request its approval by the

Dear Sir

This communication must necessarily be long & an explanation must be made in order to do justice to myself.

I was taken sick the 3rd day March ~~was~~ caused by exposure at Ft. Donelson & Ft. Henry - Went with the Army to Gettysburg Landing - The still sick & was in camp there unable to attend to but few duties till the 28th March when I was granted leave of absence for twenty days by Gen Grant on Surgeon's certificate. When my leave of absence had nearly run out I sent my Physician's certificate that I was still suffering with Camp Fever, then become Typhoid nature & would be unable to return to camp duties in all probability before the 1st June.

While absent at home sick the 23rd of May Regt. was consolidated & the 1st Regt. of my company in the 2nd of the 1st Regt. became Capt. in the Consolidated company. The order was issued at that time for the Officers sent in their resignations. The Order ~~consolidated~~ also a list of names of those Officers called upon to resign of May when I first heard of & saw the order but it did not contain my name & hoping that I might return to camp & still take part in some

Thinking I had sufficiently recovered (the my
physician did not) I started for Camp & was taken
sick on the way & was compelled to stop at Padusack
where ~~the~~ ^I remained sick for several days.
I have ^{not} returned home yet.

I have just returned home still feeble & commenced that I cannot remain in the Army this summer with my feeble & broken health & do justice to the Army or myself.

It is with extreme regret that
I am compelled to request that you will accept
my resignation.

and to that date (you think) will be doing
justice to both Government & myself.

Very Respectfully Yours

Cal:

I recd some days since, forwarded through your
Head Quarters, a communication from Head Quarters, Dist
Ky. Concerning one H. J. Jones, requiring me to "Ascertain
where, where and by what Court this man was tried and by
what order the Court was assembled."

Some three months since, I made application to Genl. J. J.
Boyle Candy Dist Ky. for the release of this man Jones, some
month afterwards I recd a letter from the adjutant Genl.
of Ky. Vol. at Louisville. stating "If I could make an
application through that office, for the release of Jones, it
would be approved" I did so: but this is the first word
I have recd. in reply to either of my applications

It is not in my power to find out the when where & where
to this Court was assembled, and this man tried. I only
made the application, from what I had heard. from various
persons, who, applied to me to make the application, of the
hiring of the man, their thing was confirmed by officers of
the Regt, to which this man belonged,
some belonged to the 23rd Regt Ky Inf Regt. after the battle
of Shiloh, the 23rd Regt was considered and the 17th &

My hope, under Mr. Henry. There had always existed a better
like between these two Regts; and when they were to be consolidated
the man I saw with members of other armed their determination
not to go into the 17th Regt. They all, however, succumbed, except
one, who when ordered to throw his teeth said he would not
go into that Regiment, but, expressed his entire willingness
to join any other, and here on this time perfectly all of them
who he was with, and distanced towards in the fortifications
at Lexington for three years, with a ball between their legs.
Announcing the feeling existing between these two Regiments, and
that nearly all who had been placed into the 17th Regt. had
the 25th Regt. had afterwards, reconciled, and nothing had
been done with them; and learning from the officer of
the Regt. that this man had been a good soldier; and
free citizen, his former acquaintances, that he had always
been a good reputation, and thinking that the punishment
already inflicted was abundant for the crime, I made the
application, that he might be released, and I permitted
to move into the balance of his time, the Regiments I was
then recruiting.

This is a full history of the whole affair. If I can, hereafter,
find a "the" when when they whom I see, I will do so, as
I felt at the time, and do yet, a sympathy for the man.
As his crew had been separated some, holding it a good
and just cause to exercise leniency.

Very Respectfully
Yours &c.

My dear Mr. May.

I have just received your letter of the 19th inst. and am very glad to hear that you are well. I am well and hope these few lines will find you the same. I have been thinking much of late of the friends of the cause and of the work that is to be done. I feel that we are in a position to do much good if we only have the courage to do it. I am sure that the friends of the cause are everywhere and that they are all working for the same end. I am sure that the friends of the cause are everywhere and that they are all working for the same end. I am sure that the friends of the cause are everywhere and that they are all working for the same end.

Herrn. Rath.

I declare on oath that I have
examined
respectfully George Vincennes. Spicard
of Captain Vincennes company & Geo J H. Wilkey
Lieutenant 14th Ky Volunteer Infantry in view in
this County. & find him incapable of
performing the duties of a soldier for
the following reasons, he either broke
up his part this time for disease, or went
upon an attack of fever contracted at
Washington. I find him to be
sent to a Hospital at Louisville Ky as I
am informed by John Todd Captain Ky

James C. Wilkey called to inform Spicard
that J. & D. Wilkey were in the

I desire an early answer
carefully examined & return. I am,
of Capt Belwood, Capt. Col. Shattuck's
Regiment of Reg. Volunteers and find
him incapable of performing the duty
of a soldier for the following reasons
His right elbow has been dislocated at
the time of his capture by a ball from
a ^{Physician} ~~gun~~ which was never seen. An account
of this being ~~nothing~~ ^{Physician} as Surgeon
present, for which reason the elbow joint
swells and is a red and he says that it
if much weaker than the other and that
if given him time to rest in fact he
cannot go on with it for 6 days after
some time at work such as chopping straw
in a store or saw like and he makes good
a deal out of the time, and it poses it in
a disconcerting way, he's body in such way,
as to find all he has but little use of it
therefore I think that he ~~discharge~~ ^{discharge} from
military duty.
Elkhart N.J. July 22 1862

I certify that I am ^{attending} ~~attending~~ ^{attending} ~~attending~~ ^{attending}
being a respectable practitioner of medicine
in my neighborhood given under my hand
and this the 22 day of July 1862
